

Conceptual Modeling

**Software Eng.
Cyber Security,
Big Data**

ER2015 SCBC Workshop, October 20, 2015, 2-3:30PM
**Integration of “Software Engineering, Cyber Security,
Big Data, & Conceptual Modeling”**
Peter Chen, Carnegie Mellon University
PeterChen@cmu.edu,

Speakers/Panelists:

- **Heinrich Mayr**, (AAU, Austria): “Modeling for Quality Aware Software Engineering”.
- **Nick Mutari**, (U.S. Pacific Northwest National Lab): “Privacy and Big Data”
- **Tok Wang Ling**, (Univ. Singapore): “Conceptual Modeling on NOSQL/Big-Data”
- **Jacky Akoka**, (CNAM, France):
“Characterize research on Big Data and Cyber Security based on a bibliometric study”
